March 8, 2022

Meeting began at 7:36 pm

ATTENDING: Hala Imms, Andy Orr, Mo Gillin, Robert Bocchino, Anne Mezey, Karen Shapiro, Tom Wilkinson, Anthony Stevenson, Ellen Langes, Scott Zelov, Lorraine Jones

Minutes from the February meeting were approved.

Treasury report: \$3125.18

New Business: Discussed renewal of all the website costs. Andy Orr will look into all the related items to see if needed and investigate other website providers. Will reimburse Cozen and O'Connor for the website fees they have paid on our behalf.

Board was updated on the SALDO letter from the Federation of Civics to the planning commission by Mo Gillin and Anne Mezey.

Donation to Elder Net of \$100.00 was approved.

Some repairs have started on the Haverford Train Station. The rain gutter and downspout has been repaired by Septa and the roof is to be repaired by Amtrak. The staircase has also been repaired.

Discussed regulations and approval process on building repairs and updates on buildings in historic areas as well as zoning codes. Mo Gillen also noted that there has been little change to the HARB improvement draft.

Development of 355 Lancaster is coming to the planning commission in April.

Anthony Stevenson was thanked for all the informational emails he sends out. It is greatly appreciated.

Commissioners Stevenson and Zelov gave their reports.
Meeting was adjourned at 9:05 pm.
